Request For Proposal for Iridium Satellite Telephones

The State of New Jersey, Office of Homeland Security and Preparedness (OHSP) is seeking to purchase 55 - 9505A Iridium Satellite Telephone Kits with standard post paid SIM card. Each Iridium Satellite Telephone Kit will contain the following:

- 9505A Portable Phone Non-secure with High Capacity battery
- Auto accessory adapter
- Antenna adaptor
- Portable auxiliary antenna
- Lanyard
- AC Travel Charger with international plugs
- Leather holster
- User's guide
- Post paid SIM Card

OHSP has 8 Globalstar 1600 Satellite Telephones available for the Trade-up Program. Please include pricing discounts in your proposal, if applicable.

OHSP is requesting each vendor to provide activation and/or subscription fee and post paid monthly service information. This equipment will be distributed to various entities for emergency and each recipient will be responsible for creating their own account for monthly telephone service.

The OHSP is requesting all vendors electing to bid this procurement please complete the Request For Proposal (RFP) in its entirety and please sign the attached terms and conditions. I have attached a copy of the paperwork required by the State of New Jersey for this purchase. Please contact me with any questions.

Each RFP will be opened and reviewed on the deadline date of July 18, 2008, at 5 p.m. or close of business day. OHSP will award the contract on July 21, 2008.

If you have any questions, please refer to the contact information on the Request For Proposal.
